2024 Contribution Form
TAX ID # 20-1334586

The Frisco Ballet was established in 1999 with the goal of bringing the beauty and grace of classical ballet, in addition to quality ballet productions, to our community, while providing serious ballet students with the opportunity to prepare for a career in dance.

The Frisco Ballet's future is bright. We are pleased to announce our 2024 season, one of which is shaping out to be yet another entertaining year. Our seasons feature full-length story ballets, shorter programs, as well as community involvement.

Your generous contribution, along with ticket sales, will help offset production expenses necessary when producing full-length ballets. In addition, your support will contribute to The Frisco Ballet's scholarship fund, enabling TFB dancers in need of financial assistance to audition & attend reputable, professional summer intensive study programs throughout the globe.

The Frisco Ballet offers numerous corporate and individual contribution levels. Please take a moment to review the contribution levels below. To make your tax deductible contribution, simply complete member information, remembering to select your level of support. Mail form with credit card payment information or check payable to The Frisco Ballet to our address above.

Thank you in advance for your contribution. We look forward to seeing you throughout our 2024 season.

Sincerely,
The Frisco Ballet and Board of Directors
