TAX ID # 20-1334586

The Frisco Ballet was established in 1999 with the goal of bringing the beauty and grace of classical ballet, in addition to quality ballet productions, to our local communities and to provide serious ballet students with the opportunity to prepare for a career in dance. The Frisco Ballet is a non-profit 501 (c) 3 organization funded solely by corporate and individual contributions, as well as special events.

The Frisco Ballet's future is bright. We are pleased to announce our 2023 season, one of which is shaping out to be yet another entertaining year. Our seasons feature full-length story ballets, shorter programs, as well as community involvement. Join us for a season that is sure to keep you "on your toes".

Your generous contribution, along with ticket sales, will help offset production expenses necessary when producing full-length ballets. In addition, your support will contribute to The Frisco Ballet's scholarship fund which enables TFB dancers in need of financial assistance to audition and attend some of ballet's most reputable, professional summer intensive study programs throughout the globe.

The Frisco Ballet offers numerous corporate and individual contribution levels. Please take a moment to review the contribution levels. To make your contribution, simply complete member information, remembering to select your level of support, on the form below. Mail form with credit card payment information or check payable to The Frisco Ballet to our address above. Contributions can also be made online. Visit our website for details.

Thank you in advance for your support. We look forward to seeing you throughout our 2023 season.

Sincerely Yours,

The Frisco Ballet Board of Directors
